PENSIONS - Political - Malikhanas of Malabar and South Kanara - Annual verification reports in respect of Charitable grants - Report - submitted.

Government Memo No.2541/54-3 Public (Political) Dept. dated 15-4-54.

The Government in their order No.M.S.1543 Public(Political) Department dated 13--9--1938, while sanctioning separate payment of the malikhana amount to the holders of the four sthanams and the heads of two thavazhis of the Avinhat Swaroopam in Kurumbranad taluk, had allotted to the first sthani, Sri. Kotharaman alias Unni alias Avinhat Moothavar a sum of Rs.2228-4-2 with a stipulation that an amount of Rs.1478-4-2 out of it should be utilised for meeting the customary expenses in temples, chatrams etc. This is the only case in this district where a portion of the malikhana allowance has been set apart for the maintenance of temples etc.

2. I invite attention of the Government in this connection, to my Ref.A1.21266/53 dated 3--11--1953 and G.O.Ms.3238 Public (Political) dated 17-12-53. Enquiries show that the amount set apart for the maintenance of the institutions was not being properly used by the previous sthanis. The present sthani has been directed to utilise the amount properly. I have already prescribed an annual periodical report to watch whether he is doing so. I shall be submitting the annual report now prescribed by the Government so as to reach them on the 30th of April every year.

The expenses on the mosques, tombs and assurkhanas in that fort therefore became a charge on the company and the Paymaster of Seringapatam was ordered to provide for them - Vide pages 7517-18 in the Military Consultations 1799 Volume No.261 A [E.M.C. dated 10-12-1799] There were two Assurkhanas, viz places for lamentation etc within the fort as shown below:-

A sum of 20 canta monthly or rupees two per day throughout a year, that is 243 pagodas and 1 rupee per annum was sanctioned by the Government to each of the Assurkhanas for their maintenance - Vide Statement of expenses at page 5862 in Military Consultations 1799, Volume No.257-B-

SIR,

Subject :— Pension - political - Mysore pensions - Ashurkhanas - information regarding the conditions of charitable grant made for their maintenance.

Refce:- Government Memorandum No.2541/54-14, Public (Political), dated 7-3-55.

Mir Jaffar Hussain Ali Fiazi.

A reference is invited to item 317 of the printed list of political pensions, 1951, It is seen from the registers of this office that the pension of Rs.697-13-0 per annum sanctioned under the authority of Government of India letter No.480F, dated 10-12-1870 to Sri Mir Jaffar Hussain Ali Fiazi was subsequently reduced to Rs.649-8-0 in Mysore Residents' letter No.R.I.159-44 (Pol), dated 17-7-46. The Ministry of States ordered the continuance of the pension in their letter No.F.4(34)-G.No.48, dated 11-3-1949.

Azhurkhana for Rs.802-7-0.

The following particulars are gathered from the records of this office regarding the Ashurkhanas for Rs.802-7-0. An Ashurkhana for Rs.697-13-0 was originally granted to Mir Hussain Fiyazi with a subpensioner Zahra Begum for Rs.13-8-0. With the death of the latter on 23-4-50, the pension was reduced to Rs.535-13-0 per annum from 1-8-50 and continued in favour of the former.

The balance of ashurkhana of Rs.104-10-0 was originally granted from 20-8-1904 to Mir Mokudem Fiazi (as sister's husband of Fiazi Begum) in the proceedings of the Hon'ble the Resident in Mysore No.3772, dated 7-7-1905. With the death of Abbas Ali

Fiazi on 2-7-46, an Ashurkhana allowance of Rs.48/- per annum devolved on Mir Aziz Ali Fiazi in the proceedings of the Hon'ble the Resident in No.R-F.103-43, dated 21-3-49.

Letter from the Hon'ble the Resident in Mysore, to the Govt. of India, Foreign and Political Dept., No.F.486-36/R.O.II., dated the 18th May, 1936.

Apportionment of expenditure on Territorial and Political pensions in connection with the new Constitution.

The Government of Madras have forwarded to this Residency a copy of letter from the Government of India in the Foreign and Political Department, No.D.963-Fed./35, dt. the 2nd December, 35, with an extract from the list of political pensioners in the Madras Presidency on the 1st November, 1935, so far as it relates to Mysore, and they have requested me to furnish particulars relating to these entries direct to the Government of India with my remarks.

2. The following are the items which are referred to:-

S.NO.	STIPEND NO.-	NAME	AMOUNT OF PENSION.	REMARKS.
246	2704 and 3104	Ashurkhanas.	802- 7- 0	Perpetuity.
251.	2308	Mir Asker Ashurkhana.	697-13- 0	"
258.	3346	Makan at Attikoppa.	42- 0- 0	

3. The Ashurkhanas in Mysore have been in existence from the time of Tippoo Sultan. The allowances for their maintenance were paid originally from the "Mysore Two Lakh Fund" which was abolished by the Government of India in 1878. They are now paid from Imperial Funds. The Resident (on the recommendation of the Government of Mysore) appoints suitable persons to look after the Ashurkhanas and to receive the allowances attached to them. The Manager of the Ashurkhana in whose name the allowance is sanctioned is responsible for the maintenance of the Ashurkhana and due performance of the religious ceremonies and for the payment of the shares of the stipend to the members of the family.

The Ashurkhanas referred to as Serial No.246 in the list are those included in item 44 (i) of the Return of Imperial Pensioners in Mysore corrected upto 1st January, 1904. They are two in number and are known as the Southern and Northern Ashurkhanas. The allowance attached to the Southern Ashurkhana is Rs.104-10-0 per annum. It is managed at present by Mir Abbas Ali Fyazi. The allowances attached to the Northern Ashurkhana is Rs.697-13-0 per annum, and it is now managed by Syed Hussain Fyazi.

Mir.Asker Ashurkhana, hich is referred to as Serial No.251 in the Accountant General's list, is shown as item 45(2) of the Return of Imperial Pensioners. The allowance attached to it is Rs.697-13-0 per annum. It is at present managed by Kulsumbi.

I am of the opinion that these allowances should be considered to fall within the purview of section 145 of the Government of India Act on the grounds (i) that they are of the nature of customary allowances to servants of a former Ruler of Mysore and (ii) that they are payable in the Mysore State.

4. The allowance attached to the Makan at Attikoppa,

which is referred to as Serial No.258 of the Accountant General's List and mentioned in item 33(1) of the Return of Imperial Pensioners in Mysore corrected upto 1st January, 1904, is connected with the name of Syed Ibrahim, Commandant of the Tanjore Cavalry. Syed Ibrahim was taken prisoner by Tippoo in 1781. Though he was offered high employment, he remained faithful to the East India Company and refused to serve under Tippoo. He was kept in rigorous confinement in a droog at Chennapatna, where he eventually died. In recognition of his faithful, honourable and distinquished services, the Government of Madras granted an allowance of Rs.205-14-8 per mensem for the maintenance of his family and his tomb. Of this amount a sum of Rs.3-8-0 per mensem came to be paid separately for the maintenance of the tomb of the Commandant's sister-in-law at Attikoppa. In 1891 the Government of Madras withdrew all the allowances except the ceremonial allowance of Rs.22-2-8, intended for the Makan at Chennapatna; but the allowance of Rs.3-8-0 per mensem (or Rs.42-0-0 per annum) which had been separated from the original pension and granted for the maintenance of the Makan at Attikoppa was continued.

This Makan at Attikoppa has therefore, been in receipt of the allowance continuously from the year 1862; I recommend the continuance of the allowance on the grouhd that it is a part of the obligation which the British Government have incurred to perpetuate the memory of Syed Ibrahim. Although it is not a payment in respect of a customary allowance to a member of the family or a servant of a former Ruler of the State, it is payable in the Mysore State, and can be held to fall with in the wider expression "the exercise of the functions of the Crown in its relation with an Indian State.

Sub:- Political pensions - Mysore pensions - Ashurkhanas - pension drawn by Sri Mir Aziz Ali Faizi.

Ref:- Your Public (Political) Department letter No.2541/54-15, dated May 9, 1955.

It is observed from the papers received with the letter quoted above that allowances granted in respect of the Ashurkhanas are meant for looking after the maintenance of the religious ceremonies and distribution of some shares to the members of the family. In the final orders issued by the Government of Madras under their G.O. No.2693 dated November 18, 1952 this allowance has been treated as a charitable grant and its continuance is subject to an annual verification that it is actually being utilised for the purpose for which it was sanctioned. If the State Government are satisfied that the allowance is not being utilised for the specified purpose, the Government of India have no objection to its being stopped. The action taken may please be intimated to the Government of India.

2. In this connection I am to point out that while the amount of pension drawn by Mir Aziz Ali Fiazi shown in the G.O. referred to in paragraph 1 above is Rs.104/10/-

cont...2/-

per annum while the amount shown in the Accountant General's letter No.PRP/6, dated 1/4-4-1955 is only Rs.48/- per annum. The correct amount may kindly be verified and intimated to the Government of India and the Accountant General. A copy of the orders of devolution stated to have been issued by the Resident in Mysore under No.RF. 103-43 dated 21.3.1949 may also kindly be furnished, if it is available with the State Government.

Sir,

I am directed to invite a reference to the Government of Madras, Public (Political) Department, G.O.Ms. No.2830, dated 12th September 1955 (copy forwarded to you) ordering the discontinuance of the pension of Rs.8-11-6 per month drawn by Mir Aziz Ali Fiazi and to say that the Government of Madras have enquired in this connection, whether the pension in question will lapse to Government or it will be continued to any other person who may be recommended by the Government of Mysore to look after the Ashurkhana.

2. The position is that charitable grants are payable only to temples or other institutions serving the public. The Ashurkhanas in Mysore are stated to be in existence from the time of Tippoo Sultan, vide the enclosed extract from letter from the Resident in Mysore to the Government of India, the late Foreign and Political Department, No.F.486-36/R.O.II, dated 18th May 1936 and they have been described by the Madras Government as 'places of lamentation'. Their exact nature is, however, not clear. To enable the Government of India to examine the matter further, information on the following points may, therefore, kindly be furnished as early as possible:

1) the exact nature of the institution and its origin;

2) the manner in which the institution serves the public; and

3) the nature of the religious ceremonies performed in the Ashurkhana and whether they are connected with any saint or shrine, etc.

Sir,

Received your order No. G.O.Ms. No.2836/55-56, dated the 12th Sept 1955, with rate surprise over since the death of my father I have been regularly discharging my loyal duties to the best satisfaction and keeping the accounts etc., up-to-date. I have been holding the majlis regularly in the ashurkhana from where I get all the information required. I was informed from the Ashurkhan No.2 and No.3 not to keep accounts properly and not to discharge duties regularly. From the year 1948 they have been sending their petitions against me in order to stop my pension. As a metter of confirmity of their interpretation in their petitions my pension has been stopped. For the amount of pension that is being received by me every month namely Rs. 8-11-6, I have been keeping up-to-date accounts of its expenditure in this respect which your honour may peruse and satisfy. The accounts is kept up to the year 1955. I am the only person among the pensioners (Political) who has been able to show proper and honest accounts I pray your honour to once again examine my accoun s and the facts noted above and order my pension to be renewed again. You can freely enquire about the lighting which has been done by la e Murtuza Begum Sahiba. The repairs of the wall Rs. 28/- has been paid by Mrs. Iqubal Hussain Sahib. This the state of affairs in Ashurkhana No.2. They have been paid the pension amount regularly but no being paid to me every month.

In Ashukhana No 3 the Majlis is not at all being conducted and no lighting is being done. The a ount is all expended for their private use. The two persons are getting monthly pension of Rs. 28/- w ich is regularly being paid to them ever month. But the small amount of Rs. 8-11-6 of mine has been stopped away carrying on my duty honestly in Ashurkhana No.1. while the activity in No.2 and 3 is at a standstill.

Sir, I pray the Almig ty for your long life and prosperity and I hope that my request will be compiled with and orders iss ed for renewing my pension so that I may lead my life with all might and discharge my duties ably to the satisfaction fo you and all. I once again hope that my prayers will be considered favourably.

I beg to remain,
Sir,

Sir,

I am directed to enclose a copy of Mysore Government's letter No.FL 58/SPS-25 dated the 9th April, 1956 and to state that it seems that on important religious occasions certain ceremonies connected with the Muslim religion are performed at the Ashurkhanas. The Government of India therefore consider that the allowance of Rs.8/11/6 attached to the Ashurkhana should not lapse to Government but should be continued to a suitable person recommended by the Government of Mysore.

2. In this connection, I am to invite attention to letter from the Government of Mysore No.FL 2242/SPS.54.20 dated the 13th September 1955 to your address in which they have recommended the continuance of the allowance in favour of Sri Mir Aziz Ali Fiazi. The Government of India have no objection to the said recommendation of the Mysore Government being accepted subject to the condition that the oil Mill is removed from the premises of the Ashurkhana and the building is properly repaired.

3. I am further to request that the allegations against the Managers of the other Ashurkhanas made in the representation of Sri Mir Aziz Ali Fiazi forwarded to you with this Ministry's letter No.F.58(2)-SF/55 dated 23rd January 1956, may kindly be enquired into and a report sent to the Government of India in due course.

Sir,

I beg to submit as under:-

I am a pensioner of Political Pensions. But consequent upon petitions from other interested persons, this payment of pension is stopped since about 9 months.

In this connection, I wish to state that the Oil Expeller (GHANA) which is adjacent to the Adhurkhana is outside the limits of the Main Ashurkhana. This land is leased by me for my maintenance. On 9 March 1956; the Amildar, Mysore Taluk, was kind enough to inspect this and he was pleased to check the accounts and in token thereof has initialled in the Accounts book maintained by me.

Later on 1-6-1956, the Revenue Inspector (Shaikdar) was alwo good enough to inspect the premises. He too has recorded about this in the Account book.

Needless for me to submit once again that I have been running the Ashurkhana according to the traditional rites of my forefathers. The matter under dispute is only reported to you under prejudice. Since my pension is not paid from 9 months I request you kindly to pass early orders in the matter. The Muharram is fast approaching and I have to make necessary arrangements for the Mourning, etc.

I humbly request you kindly to order for the payment of my pension amount, to enable me to utilise this sum for the Muharram Arrangements. For which act of kindness, I shall always feel obliged.

Sir,

SUBJECT. -

Review of political pensions - Annual verification report in respect of Ahurkhanas in Mysore - Revivial of allowance paid to Sri Mir Aziz Ali Fiazi.

...

With reference to the correspondence ending with your letter No. 2541/54-25 dated 26th June 1956 on the subject, I am directed to state that the local enquiries reveal that in the Ashurkana managed by the Head Pensioner, Sri Mir Jaffar Hussain Ali Fiazi, Majlis is being regularly conducted during Ramzan and Moharum as vouchsafed by the devotees of the Ashurkhana. But the electric installation is out of order and the lights are not being lit, as alleged in the petition of Mir Aziz Ali Fiazi. The Manager of the said Ashurkhana No. 3 is, however, stated to have undertaken to get the electric installation repaired as early as possible.

2. In respect of Ashurkhana No. 2 managed by Sri Mir Syed Hussain Fiazi, it is reported that the two persons Sri Murtuza Begum Sahib and Sri Iqbal Hussain Sahib are the devotees of this institution, who are helping the institution in its upkeep by meeting the expenses in connection with electic installation and repairs to the compound wall.

3. I am, however, to state that in the Ashurkhana maintained by Sri Mir Aziz Ali Fiazi, the country oil mill has not been removed from the premises of the Ashurkhana, but it has been screened from view by putting a compound wall between the Ashurkhana hall and the oil mill yard.

Yours faithfully,

This file relates to the annual verification reports called for by this Government in respect of political pensions which have been classified as charitable grants as a result of the recent review of political pensions. The continuance of these grants is subject to the conditions that they are needed and utilised for the purpose for which they were granted. A final report from the Paymaster, Carnatic Stipends in respect of certain endowments of the Prince of Arcot is still awaited. Meanwhile, the Mysore Government have brought to the notice of this Government certain irregularities in the case of one of the two Ashurkhans paid in the Mysore State. The holder of the pension Sri Mir Azi[illegible] Ali

Cno 2541/54

Aziz Ali has mortgaged the Ashurkhanas in his charge to one Abdul Sattar of Mysore for Rs.400/- constructing a house on the eastern side of the Ashurkhana. It is also reported that the same pensioner has kept the Ashurkhana building in a state of disrepair and has also let out a portion of the Ashurkhana for housing an oil mill. The M.R.O. was consulted with a view to find out whether there are any records on the subject specifying the conditions under which the pensions are payable. The reply from the M.R.O. on pp.31-33 cf. shows that no records relating to the conditions governing the grant of such pensions are traceable. The Mysore Govt. have stated that they are unable to state, in the absence of information regarding the conditions governing the grants in question, as to whether the terms of the grant have been violated. It is however, clear that the pensioner has utilised the Ashurkhana as a source of profit. In the circumstances, the facts as reported by the Mysore Govt. may be transmitted to the Govt. of India and their orders obtained as to the further continuance of the pension. Subject to orders, a draft letter is submitted for approval. A draft D.O reminder to the C.C.S. is also submitted for approval

The petition is for the maintenance of a shrine (place for lamentation). The Mysore Govt's report shows that the building is in a state of disrepair & has also been mortgaged. A portion of the building has also been let out to an oil Mill. It is clear therefore that the petition is not being utilised for the charitable purpose for which it is intended. We need not let much store by the undertaking of Ali to get the building repaired in a month & also remove the oil mill. Draft review, subject to approval.

para 1 on p51/c

2) They have also pointed out some discrepancy in the amount of allowance granted to Nir Aziz Ali Fizi – viz. while a sum of Rs 104-10-0 is shown as annual pension in GO N° 2693 Pol (Pen) dt 18/11/52, the A.G. Madras in his letter on pp45-46/c has mentioned only Rs 48/- p.a.

4) The annual pension of Rs 48/- p.a. referred to by A.G. is only a sub pension under and Ashurkhana Allowance drawn by Syed Hussain Fiazi from which Nir Aziz Ali Fiazi gets a share of Rs 4/- p.m., about which a separate P.P.O. was wrongly issued by the A.G. and subsequently cancelled. Please see pp 1-2 cf of (11). The Nagpur Govt. have certified that the ashurkhana allowance drawn by Syed Hussain Fiazi is being properly utilised. Only the Ashurkhana allowance of Rs 104-10-0 drawn by Nir Aziz Ali Fiazi w.r.t. G.O.No. 2210 Pub (Poll) dy 11-9-52 is now under Consideration. This may be got clarified by the A.G. himself. He may also be asked to furnish a copy of the proceedings of the Hon'ble Resident quoted by him.

Please see the ltr from the A.G. Madras on pp 65-67 cf. He has confirmed the particulars stated in para 4 of this Dept's note above.

He has also stated that the Proceedings of the Hon'ble the Resident of Mysore in RF 103-43 dy 21-3-47 is not readily traceable in his Office. The G of I may be informed of the above facts. //sd//

The allegations that Sri Aziz Ali Fiazi has mortgaged the Ashurkhana locked after by him and that the building is now in a state of disrepair and a portion of it has been let out to an oil mill, have been proved. In the final orders issued by the Govt of Madras in respect of the allowance under G.O.Ms. No 2693 Pub (Poll) dy 18-11-52, this allowance has been treated as a charitable grant and its continuance is subject to an annual verification that it is actually being utilised for the purpose for which it was sanctioned. Inasmuch as the allowance of Rs 104-10-0 p.a drawn by Niv Aziz Ali Fiazi is not being utilised by him for the specified purpose, it was proposed to discontinue the allowance. The G. of I. have stated that if the State Govt are satisfied, they have no objection to its being stopped. The allowance of Rs 104-10-0 p.a. drawn by Niv Aziz Ali Fiazi in GO No. 2210 Pub (Poll) dy 11-9-52 may therefore be discontinued. A draft order is submitted for approval.

The allowance Rs 104-10-0 is a perpetual grant of the G of I., in existence from the time of Tippoo Sultan. From para 3 on p 42 of, it will

p. 25 of

∝ p 27 of (M)

para 2 on p 49 of

be seen that the Govt of Mysore ~~appoints~~ recommends suitable persons for appointment to look after the ashurkhanas, who will be entitled to receive the allowances attached to them. Inasmuch as the grant is a perpetual one, it is not clear whether, on the discontinuance of pension drawn by Niy Azia Ali Fiazi, the pension will lapse to Govt or it will have to be paid to any other suitable person who may be recommended by the Mysore Govt to look after these Ashurkhanas in the place of Niy Azia Ali Fiazi. This point may be got clarified by the Govt of India before addressing the Mysore Govt in the matter. A draft letter to India is submitted for approval.

It has been reported by the Mysore Govt that Syt Mir Azis Ali Fiazi has not been maintaining the Ashurkhana building in proper repair and that he has let out a portion of the building for a mill. The pension of Rs 104.10.0 per annum may therefore be stopped. The Govt of India have no objection to this.

This may be addressed as M above.

This file relates to the revival of the Ashurkhana allowance of Rs.8-11-6 ordered to be discontinued in G.O.No.2830, Public (Political), dated 12-9-55. During the annual verification of charitable grants made for the maintenance of tombs, mosques, etc., for the year 1953, the Government of Mysore in their letter on p.25 c.f. reported that the Ashurkhana building maintained by Sri Mir Aziz Ali Fiazi on a monthly pension of Rs.8-11-6, was in a state of disrepair and that the the pensioner had let out a portion of the Ashurkhana for an oil extracting mill. As the grant was continuable only subject to an annual verification to ensure that the grant was being actually utilised for the purpose for which it was sanctioned, the matter was reported to the Government of India and their advice ~~might~~ sought for the further continuance of the allowance. The Govt. of India, in reply, stated that if the State Govt. are satisfied that the allowance is not being utilised for the specified purpose, they have no objection to its being stopped. As it had been clearly established from the letters of the Govt. of Mysore and the Govt. of India that the allowance was not being properly utilised for the purpose it was sanctioned, this Government ordered the discontinuance of the allowance.

The Govt. of India were also addressed for orders whether the allowance paid to Mir Aziz Ali Fiazi will lapse to Government on discontinuance or whether it should be continued in favour of a nominee of the Government of Mysore for carrying on the

religious duties attached to the allowance. The Government of India in reply have now stated--

(1) that the allowance should not lapse to Government but should be continued to a suitable person recommended by the Government of Mysore;

(2) that they have no objection to the recommendations of the Mysore Government that the allowance may be continued in favour of Sri Mir Aziz Ali Fiazi, subject to the condition that the oil mill is removed from the premises of the Ashurkhana and the building is properly repaired and;

(3) the allegations against the managers of other Ashurkhanas made by Sri Mir Aziz Ali Fiazi be enquired into and a report sent to them.

Item (1) above has been noted. As regards items (2) and (3) the Government of Mysore may be consulted. A draft letter is submitted for approval.

Please see the Mysore Government's letter on p.111 c.f. In the linked file which deals with the annual verification in respect of these grants for 1955-56 the Mysore Government have reported that all the three Ashurkhana (including the one dealt with in this file) are well maintained and that the grants are properly being utilised. In the letter at p.111 c.f. the Mysore Government have however pointed out in the Ashurkhana maintained by

P.t.o.

Cno 2541/54

Sri Mir Aziz Ali Fiazi, the country oil mill located there some time ago has not been removed yet but it has been screened from view by putting a compound wall between the Ashurkhana and the oil mill yard. The allowance of Rs.8-11.6 p.m. payable in respect of this Ashurkhana has been stopped but the Government of India have desired the continuance of this allowance to a suitable person recommended by the Government of Mysore. India have also stated that they have no objection to receive the allowance as payable to Sri Mir Aziz Ali Fiazi himself subject to the condition that the oil mill is removed from the premises of the Ashurkhana and the building is properly repaired. It is clear from the Mysore Government's letter that the oil mill has not yet been removed from the premises of the Ashurkhana although it has been screened from view. Thus the condition laid down by India for revival of the allowance to Sri Mir Aziz Ali Fiazi has not yet been fulfilled although the Mysore Government are for the revival of the allowance to this person. It seems desirable to refer the matter to the Government of India for a decision. Subject to orders, a draft letter is submitted for approval.
